THE MORGAN GARDNER BULKELEY HIGH SCHOOL

Preface

Only after our four years of high school life do we fully realize and appreciate the friendships and good times which we have enjoyed here both with our teachers and our classmates. So that we may always have these experiences fresh in our minds, we have compiled this Class Book, which we hope will serve as a happy reminder of our high school life. We wish to thank the following people, without whose efforts the Class Book would not be what we have sincerely endeavored to make it: Dr. Feingold, for his ever-ready advice; Miss Potter and Mr. Hart, for their generosity in giving so many hours and such helpful suggestions as advisers of the Editorial and Business Boards; Miss Alma Plumb, supervisor of the Art work; Marjorie Calano, Rose Fanelli, and Clara Vasques, our efficient typists; and the secretaries in the office for their consideration and patience.

We hope that in future moments of reminiscence, you, the members of the Class of 1940, may enjoy this Class Book as much as we have enjoyed preparing it for you, and that in years to come, we may all still think of ourselves as the Class of 1940, with our loyalty and friendships unimpaired.

MISS DOROTHY STANTON WHEELER

Dedication

★

WE, THE CLASS OF 1940,

AFFECTIONATELY DEDICATE THIS,

OUR YEARBOOK,

TO

MISS DOROTHY STANTON WHEELER,

WHO HAS FOR FOUR YEARS STRETCHED OUT A PATIENT,

GUIDING HAND TO EACH AND EVERY ONE OF US.

DR. GUSTAVE A. FEINGOLD, PH.D.

Our Principal

Our Principal's Message

As Americans, born in freedom and living in freedom, we cannot conceive any other state of life—certainly not for us. As our ancestors had suffered and endured hardships to give us this heritage, so we would never surrender it without a struggle, no matter how challenging and bitter it might be. We are, therefore, very naturally and very properly perturbed when we see the two remaining outposts of democracy located on the European continent challenged and shaken to their foundations.

Under ordinary circumstances graduation from high school would be an occasion for jubilation among parents and children. Under the present circumstances the ominous threats which hang over the heads of all democracies and the ever widening war clouds must have a sobering effect upon all thinking people and especially youth, since youth bears the brunt of all wars.

We can only hope that the disaster which is devastating the European countries and sapping the energies of their people will not reach our shores and that we will not be called upon to rush once more to the blood-soaked battlefields of Europe to defend freedom's cause. The best way to realize that hope, however, is to be so united in our ideals of Americanism, as expressed in the Preamble to the Constitution and in the Bill of Rights, that no foe of either democracy in general or America in particular would dare to launch an attack upon us.

This is the challenge to American youth as it emerges from school and college—never to lose the vision of their fathers of a peaceful, united, and free America.

GUSTAVE A. FEINGOLD

SALLY ANNE ABBRUZZESE

"Sal"

"Her ways are ways of pleasantness."

A. A. 2; S. A. 3, 4; Girls' League 2, 3; Swimming Club 4; Junior Dramatic Club 2. Never tardy. Burr Junior High.

Sally is that petite little miss with the charming smile who was so often seen hurrying in and out of Room 7. Her frequent laughter and natural gaiety will always stand her in good stead.

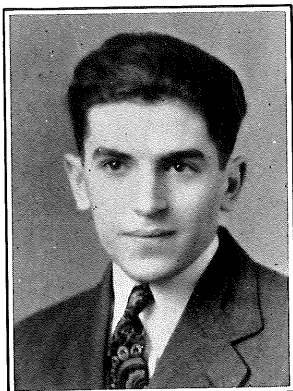

VENICE HELEN ANNE ADKINS

"Ven"

"Truth stood on one side and
Ease on the other; it has often been so."

S. A. 4; Girls' League 3. No demerits. Burr Junior High.

Venice, a tall, well dressed young lady, has always been admired for her reserved but charming manner. She could often be seen walking sedately along accompanied by a friend or two.

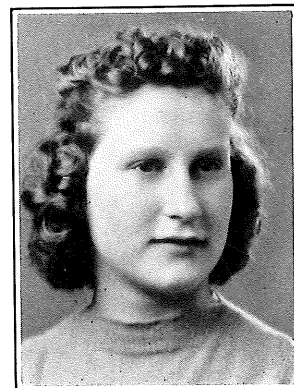

JAMES JOSEPH AGNELLO

"Jim"

"Everyone is the son of his own works."

Never tardy. Never absent. Burr Junior High. Trade School.

Jim, in addition to many other appealing qualities, possessed two attributes seldom found in a modern youth, perseverance in his studies coupled with a retiring but likable nature. Mechanics seemed to fascinate him, as is shown by his being a member of the Art, Boat, Designing and Drafting Clubs while at Burr.

MARION ELIZABETH AKATYSZEWSKI

"Dispatch is the soul of business."

A. A. 2, 3, 4; Girls' League 2, 3, 4; Shorthand Certificate; Competent Typist Pin; Honor Society 4. Never tardy. No demerits. Burr Junior High School.

Marion's speed and accuracy in shorthand and typing have won her the praise and admiration of teachers and pupils. This ability is sure to help her a great deal later on in the business world.

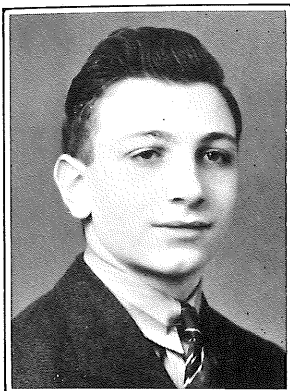

ALICE MILDRED AKERLIND

"Ally"

"This modest charm of not too much,
Part seen, imagined part."

A. A. 1, 2; S. A. 3, 4; Girls' League 1, 2, 3, 4; Girls' League Representative 1, 2, 3, 4; Camera Club 4; Commercial Club 3, 4. Never tardy. No demerits. Southwest School.

Unfortunately, Alice was lost to us for a goodly portion of the senior year. She possessed a host of friends, for her delicate beauty attracted many admirers.

JOHN ROCCO ALBANI

"He was the mildest mannered man."

Upper Class Choir 3. Burr Junior High School.

John certainly is a down-to-earth regular fellow. Besides his ease of manner and calm voice, a logical and understanding way of thinking make conversation with John a treat.

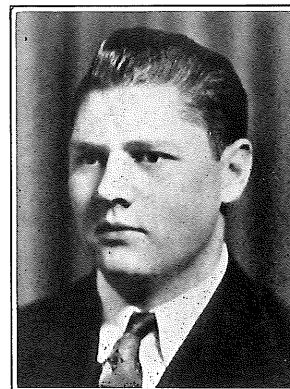

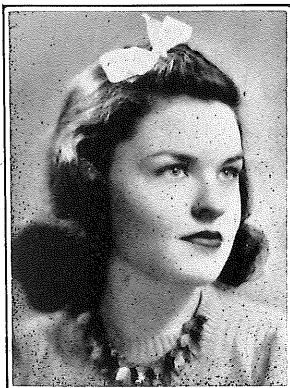

ALBERT JOHN ALEANDRI

"Al"

"Toil, says the proverb, is the sire of fame."

Senior Dramatic Club 3, 4. Never tardy. Washington Street School.

Al will be best remembered for his quiet disposition and his ardent endeavor to make the Dramatic Club performances a success. He sacrificed time and amusements to be on hand to help with the all-important stage properties.

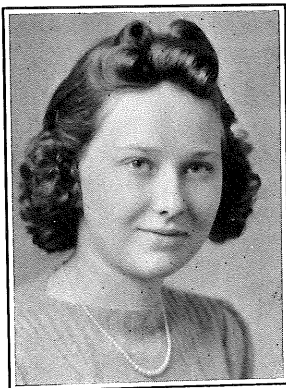

BARBARA MAE ALLEN

"Bobbie"

"To thine own self be true."

S. A. 3, 4; Girls' League 3, 4; Girls' Leaders Corps 4; Girls' Swimming Club 3; Junior Red Cross 4. Never tardy. East Hartford High School. St. Joseph College.

A vivacious spirit and loads of laughter—that is Barbara Allen to a "T." In addition to these appealing qualities "Bob" is admired for her ability to see the truth no matter how deeply it is hidden.

PHYLLIS J. ALTON
"Phil"

"Cheerful at morn she wakes from short repose."

A. A. 1, 2; S. A. 3, 4; Girls' League 1, 2, 3, 4; Camera Club 3, 4, Vice-President 4. Never tardy. No demerits. Southwest School. Miss Marchant's Secretarial School.

ELEANOR M. ARMENTANO
"El"

"Refinement is superior to beauty."

Girls' League 2, 3, 4; Italian Club 3, 4; Gregg Writing Progress 1; Gregg Bronze Pin 2. Never tardy. No demerits. Chauncey Harris School.

Eleanor is a petite, studious miss who so charmingly exemplifies the grace of sunny Italy. Though many of us did not become as well acquainted with her as we would have liked to, we know that her friends have only the best to say.

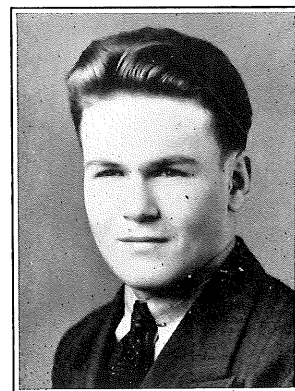

RUTH MARTHA ARMSTRONG
"Ruthie"

"Self-trust is the first secret of success."

S. A. 3, 4; Girls' League 2, 3, 4; Junior Red Cross 4. Middletown High School.

During the course of the second year of our stay as students here at Bulkeley a tall, striking young lady enrolled from Middletown High School. As time went on we came to realize what a really grand person she was.

DAVID LANGDON ATWELL
"Dave"

"To be happy is not the purpose of our being, but to deserve happiness."

Table Tennis Club 2; Swimming Club 4. Never absent. Never tardy. No demerits. Burr Junior High.

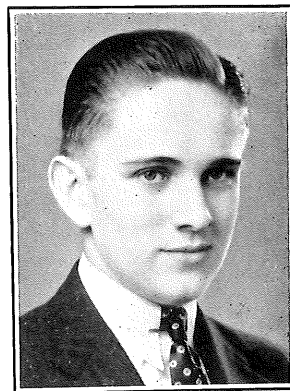

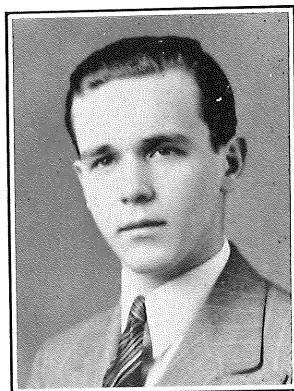

Dave's wonderful physique was the envy of many a Bulkeley boy. His admirers included members of both sexes, for his broad grin was rarely displaced by frown or scowl.

ERNEST RAYMOND AUPREY
"Ernie"

"His smile is sweetened by his gravity."

A. A. 2; Boys' Club 2. Never tardy. Burr Junior High.
It was a great source of wonder to us how Ernie could keep smiling even when things went wrong. Though he was big in stature, the speed he could muster when running was amazing.

JOHN VICTOR BABOVAL
"Babs"

"Honor his in honest toil."

S. A. 3, 4; Track Team 4. Burr Junior High School. Coast Guard Academy.

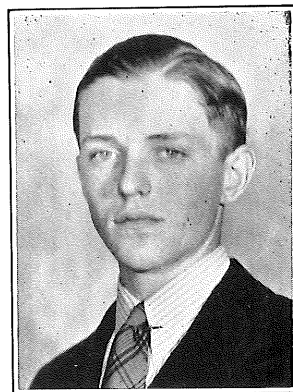

"Babs" possessed a multitude of friends, both male and female. His magnetic personality, coupled with a remarkably fine disposition, has won him a place in the hearts of us all.

THOMAS CALDWELL BAILEY

"As true as the sky is blue."

A. A. 2; S. A. 3, 4; Boys' Club 4; Chess Club 3; Junior Prom Committee 3; Classical Club 4; Treasurer 4; Boys' Biology Club 3, 4; Glee Club 2; Upper Class Choir 2; Parnassus Club 4; Editorial Board of Class Book 4; Honor Society 4. Burr Junior High School.

Little antics and bits of wit will always be remembered when we think of Tom. What is more, his accomplishments on the Class Book have proven his ability to work with a smile through many tedious hours.

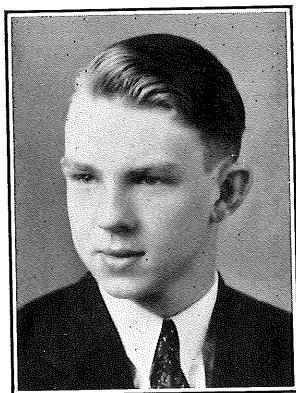

ANNA GRACE BALFOUR
"Ann"

"Patience is a necessary ingredient of genius."

Girls' League 1, 2, 3; Upper Class Choir 2, 3; Girls' Glee Club 3; Art Club 3; Girls' Ping Pong Club 3; Junior Glee Club 1, 2. Never tardy. Hartford Public High School.

A merry laugh and a harmless but clever retort was Ann's introduction to us. This suave, fun-loving girl adjusted herself to the routine of Bulkeley more quickly than a duck to water, and we all feel sure that these admirable qualities will remain with her throughout life.

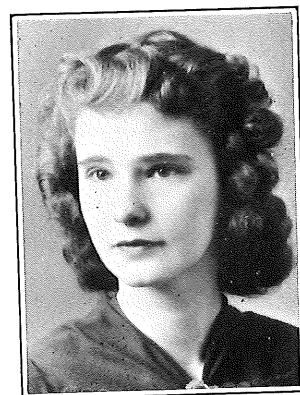

WILLIAM HOWARD BALKAN
"Bill"

"Integrity gains strength by use."

S. A. 3; Boys' Club 4; German Club 2, 3, Treasurer 3; Legislative Club 2, 3; Parnassus Club 2; Ping Pong Club 4. Never tardy. Washington Street School.

Bill is the ideal type of classmate. He is versatile, witty, friendly, and a diligent student, as his marks show—truly a tremendous asset to our class.

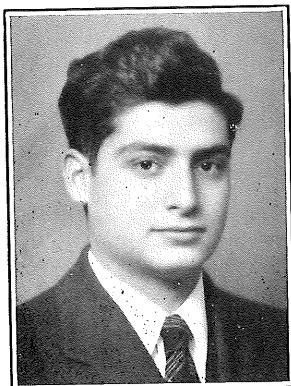

HELEN JEANNETTE BAUM
"Balmy"

A. A. 2, 3, 4; Girls' League 2, 3, 4; Freshman Glee Club 1; Girls' Glee Club 2, 3, 4, Vice-President 4; Upper Class Choir 2, 3, 4; A Cappella Choir 4; Senior Dramatic Club 3, 4, Vice-President 4; German Club 2, 3, 4, Treasurer 3, Secretary 4; Music Editor of Torch 4; Girls' Ensemble (Glee Club) 4. Never tardy. No demerits. Washington Street School.

Helen's sweet voice was one of the most attractive in the class. She herself had the same fine quality, marking everything she did with something of herself.

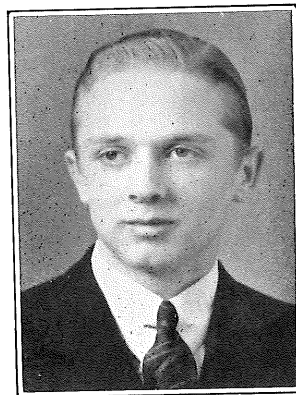

HAROLD LOUIS BAUMSTEIN

"There is no truer truth obtainable by man than comes of music."

A. A. 2; S. A. 3, 4; Boys' Club 2, 3, 4; Orchestra 3, 4; Accompanist to Freshman Choir 3; Ping Pong Club 2, Vice-President 2; Camera Club 2; Verse Speaking Choir 2; Edison Club 3; German Club 4; Intramural Basketball 2, 3. Never tardy. Burr Junior High. University of Connecticut.

When Harry speaks, listen, for he always knows what he is talking about. Besides being a talented musician, he is an exceptionally fine swimmer and we feel sure that he will make a name for himself.

SAMUEL WARREN BEERE
"Sam"

"A man's as true as his steel."

A. A. 2; S. A. 3, 4; Boys' Club 2, 3, 4; Ping Pong Club 2; Camera Club 3. Burr Junior High.

Sam will remain in our minds as a tall, thin lad with sandy hair. His fiery yet pleasant disposition, united with his firm stand on what he thinks right, have made him an outstanding member of our class.

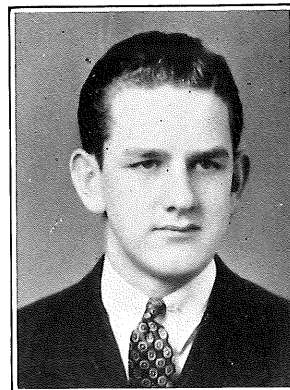

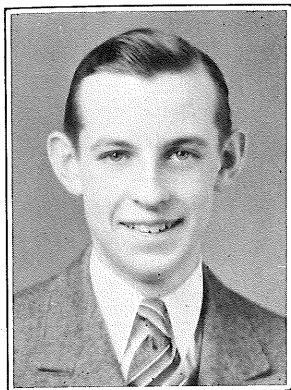

JAMES KEATING BEGLEY
"Jimmy"

"Music soothes the savage breast."

A. A. 2, 3, 4; School Band 2, 3, 4. Burr Junior High School.

There was never a dull moment when Jimmy "Dorsey" Begley was around. Though an easy-going fellow, his musical talents should carry him a long way, for he plays a marvelous saxophone solo.

JOSEPH LUBLER BELL
"Joe"

"Fortune helps the brave."

A. A. 2; S. A. 3, 4; Boys' Club 1, 2, 3, 4; Room Representative of the Boys' Club 3; Junior Glee Club 1; History Civics Club 4. Never tardy. Southwest School.

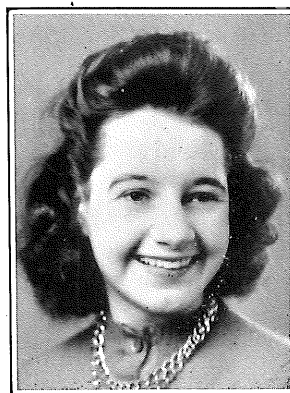

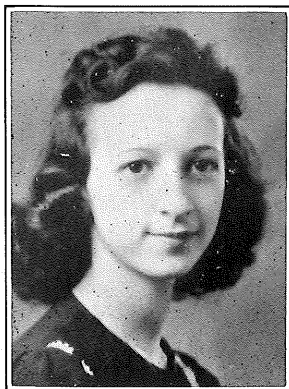

Joe is one fellow we are going to miss. Admired by all, he never let worries "throw" him, but had a cheery grin for everyone. His Monday morning scores were always accurate, and a pleasant interlude from the thought of the long week ahead.

ETHEL HOPE BENNETT
"Ben"

"The rest is silence."

S. A. 3, 4; Girls' League 2. No demerits. Burr Junior High School.

Soft brown hair, gray-green eyes, quiet grace, and a glowing smile made Ethel a girl for others to imitate. When she recited she was there with the right answer, too. Beautiful, but not dumb!

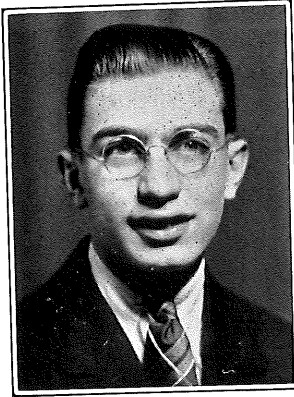

BERNICE BENOIT

"Silence is golden."

A. A. 2; S. A. 3, 4; Junior Red Cross 4; Four Gregg Awards. Never tardy. No demerits. Burr Junior High School. Miss Marchant's Secretarial School.

If silence were really golden, Bernice would be a millionaire, for excessive talking and unkind remarks are as foreign to her as the Eiffel Tower is to a Mexican. However, Bernice's silence does not spell inactivity, for she has won four Gregg Awards in High School.

RICHARD GEORGE BERGMANN
"Bergie"

"The right hand of fellowship."

A. A. 2; S. A. 3, 4; Boys' Club 2; Chess Club 3; History Civics 4. Burr Junior High.

"Berg" possessed a sense of humor appreciated by students and teachers alike. His ever-present grin has never failed to raise our spirits or lighten our worries.

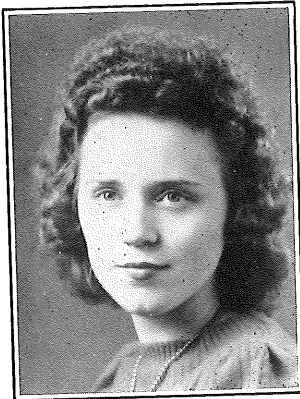

ANGELINE MARION BERNABO
"Angie"

"The apothegm 'Know thyself' is his."

A. A. 1, 2; S. A. 3, 4; Boys' Club 1, 2, 3, 4. Never tardy. St. Augustine's School.

Life held no intricate entanglements or problems for Bernie, because his winning smile always seemed to shine at the proper time. Even on cold winter mornings after a long walk to school he always seemed to be sparkling with good humor.

HENRY FRANCIS TETRAULT, JR.
"Rickey"

A. A. 2; S. A. 3, 4; Boys' Club 3, 4; Boys' Biology Club 2, 3, 4, Treasurer 3. Never tardy. Bristol High School.

Henry doesn't seem to bother with the Bulkeley girls much: he is always a member of a group of boys. Though he hasn't indulged extensively in extra-curricular activities, he seems to have a great deal of fun outside of school.

IDA TERESA THOMAS
"Eda"

"She is clad in classy clothes,
From the top of her head to the tip of her toes."

A. A. 3, 4; Girls' League 3, 4; Girls' Kickball 3, 4. Never tardy. William Hall High School.

T'was a great pleasure to see Eda trot into the room every morning wearing some very dashing outfit. With her contented expression and lively clothes she always brightened up the general atmosphere.

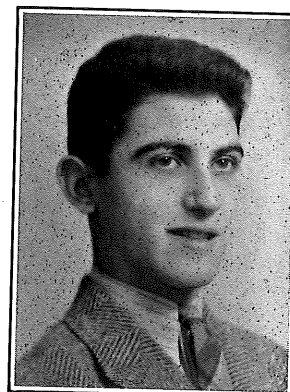

MARY THERESA TIGHE
"Tiggie"

"A cheerful temper and a wit good-natured."

A. A. 2, 3, 4; Girls' League 2, 3; Honor Society 3, 4; Classical Club 3, 4; Mathematics Club 4; Class Treasurer 4. Never tardy. No demerits. Burr Junior High School. Saint Joseph College.

Mary's excellent marks during her four years at Bulkeley are something to be proud of. Her subtle humor was appreciated by all of us and will be missed very much.

JOSEPH PAUL TOCE
"Doc"

"Each man reaps on his own farm."

A. A. 3, 4; Boys' Club 1, 2, 3, 4; Choral Verse Speaking Choir 1; Boys' Debating Club 3. St. Augustine's School. Northeastern University.

As soon as you take one look at "Doc," you cannot help realizing that he is among Bulkeley's athletic notables. His brisk walk and jovial manner contribute to a fun-loving personality.

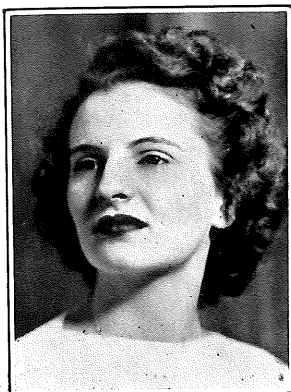

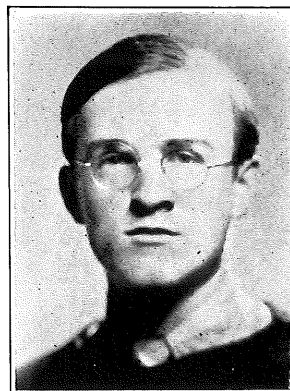

JOHN FRANCIS TOOMEY

"Jackie"

"Those who put forth an effort gain much."

A. A. 3, 4; German Club 3. No demerits. St. Peter's School. Jackie was very quiet and earnest in manner, but so conscientious in his studies that he gave real pleasure to his teachers.

BESSIE JUNE TRAGAKISS

"Bess"

"A close mouth catches no flies."

A. A. 1, 2, 3, 4; Girls' League 1, 2, 3, 4; Red Cross 4. Never tardy. No demerits. Hartford Public High School.

Bessie may seem quiet to casual observers, but her close friends know her to be full of pep, vim, and vigor.

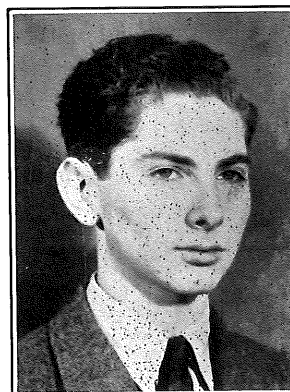

ALAN CUTLER TRAUB

"Al"

"There is great ability in knowing how to conceal one's ability."

A. A. 2, 3, 4; Boys' Club 2, 3, 4; Torch Business Board 2; Camera Club 2, 4; Edison Club 3, 4, President 4; Radio Club 4, Secretary 4; Ping Pong Club 3; Parnassus Club 3; Honor Society 4. No demerits. Burr Junior High School. Trinity.

Al is a fortunate boy who not only has one of those "cute" candid cameras, but also develops his own films. He seems to have all the girls in a dither during the second lunch in 222, since they don't know when they're going to be "snapped."

DOROTHY JEAN TREWORTHY

"Dotty"

"The very flower of youth."

A. A. 2, 3, 4; Girls' League 2, 3, 4; Torch Business Board 3, Mailing Manager 3; Red Cross 4; Girls' Leaders Corps 4; Camera Club 4. Never tardy. No demerits. Burr Junior High School. Morse Business College.

Of all the types seen around Bulkeley, Dotty represents the "socialites." She follows in her sister's footsteps in having a retinue of friends.

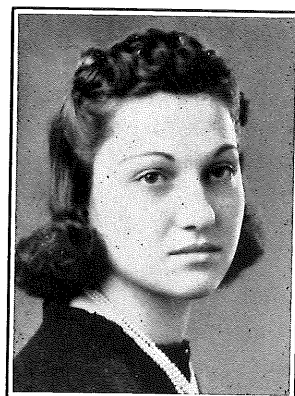

HELEN MARJORIE TREYBAL

"Every joy is gain."

A. A. 1, 2, 3, 4; Girls' League 1, 2, 4; Freshman Glee Club 1; Literary Club 4; Honor Society 4; History-Civics Club 4; Girls' Leaders Corps 4. Never tardy. No demerits. Washington Street School. New Britain Teachers College.

Don't ever try to pull a fast one on Helen, because she'll always have a comeback full of her dry humor. You'll never be able to get her down; as long as you can hand it out, she can take it.

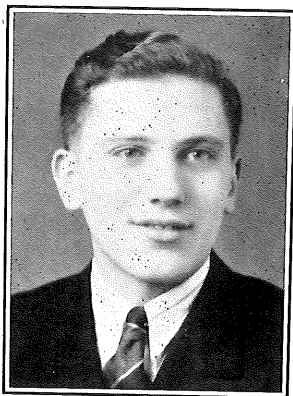

ANGELINE VALLARIO

"Angela"

"Nature's old felicities."

S. A. 4; Girls' League 2, 3. Never tardy. No demerits. Burr Junior High School. St. Francis Hospital School of Nursing.

Angeline's ambition is to be a nurse, surely a noble and worthy one. All of us wish her the best of luck in her career, for we all realize her fine qualifications for this profession.

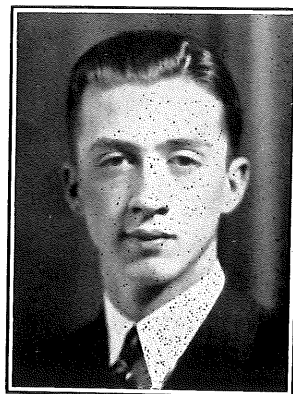

ANNUNCIATE VALENTE

"Joe"

"Nature fits all her children with something to do."

Burr Junior High School.

A personality to be envied and a likable disposition—that is "Joe," as he is affectionately called by his friends.

STEPHEN JOSEPH VAN AKIN

"Steve"

"Silence is golden."

Hartford High School.

Steve is very silent in classes, but once outside he can challenge anyone in loud speaking.

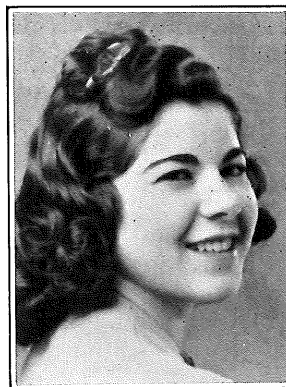

CLARA MARY VASQUES
"Clair"

"Can we ever have too much of a good thing?"

A. A. 2, 3, 4; Girls' League 2, 3, 4; Italian Club 3, 4; Commercial Club 3, 4, Vice-President 4; Dial Advertising Board 2, 3, 4, Circulation Manager 4; Torch Typing Staff 4, Secretary 4; Typewriting Progress Certificate; Competent Typist Pin; Shorthand O. G. A. Never tardy. Burr Junior High School. Morse Business College.

Clara is an attractive little girl whose willingness to assist in typing for the "Torch" and the Class Book has been most helpful and valuable.

MARY JOSEPHINE VIGNONE
"Jo Jo"

"Ah, why should life all labor be?"

A. A. 1, 2, 3, 4; Girls' League 1, 2, 3, 4; Girls' Leaders Corps 2, 3, 4; Swimming Club 3, 4, Vice-President 4; Verse Speaking Choir 3, 4; Agora 4; History-Civics Club 4; Junior Red Cross 4; Kickball 1, 2. No demerits. Southwest School. St. Joseph College.

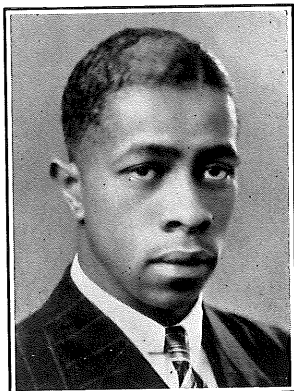

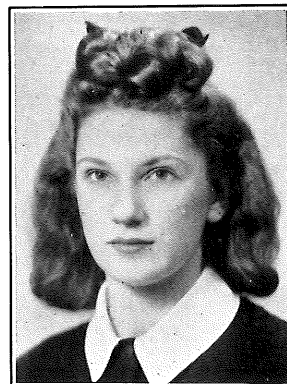

Jo is as loyal and helpful a member as any club could hope to have. Because she is so intelligent, and possesses that much-desired characteristic of being able to "take it," she is one of the most likable members of the Bulkeley student body.

INGE CATHERINE WAGLINE

"Calm and serene, she rules like a queen."

A. A. 2, 3, 4; Girls' League 2, 3, 4; "Torch" Editorial Board 2, 3, 4, Associate Editor 4; "Dial" Editorial Board 3, 4; Girls' Leaders Corps 3, 4; Junior Red Cross 4; German Club 3; Literary Club 4; National Honor Society 3, 4; Salutatorian. No demerits. Burr Junior High School.

Inge certainly has risen to great heights in Bulkeley, being Associate Editor of the "Torch" and Salutatorian of the class as well. An ability to design clothes, her vigor, and her wit all combine to make her an individualist.

JAMES NICHOLAS WALKER
"Jimmy"

"Fortune helps the brave."

Boys' Club 1; History-Civics Club 1; Football Team 3, 4; Intramural Baseball 1, 2; Intramural Basketball 2, 3. Burr Junior High. Howard University.

Anyone who has come in contact with James knows what a perfectly "swell" fellow he is. Bulkeley certainly was happy to have James give his support to the football team and other athletic activities during his stay here.

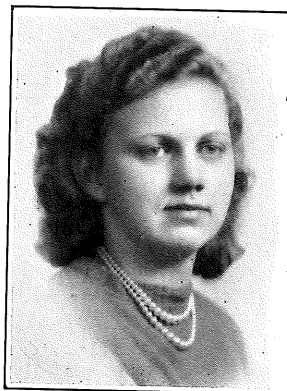

JOHN THOMAS WALSH

"Red"

"Every one excels in something which another fails."

Boys' Club 1, 2, 4; Junior Glee Club 1; Boys' Glee Club 1, 2, 3; Chess Club 2, 3, 4; Stamp Club 3; German Club 4; Editorial Board of "Dial" 4; Business Board of Class Book; Intramural Basketball 1, 2, 3, 4; Intramural Baseball 2, 3, 4. Never tardy. Washington Street School. Trinity College.

John's red hair does not signify the usual fiery temper, but, instead, a very likable personality with a wonderful sense of humor. In his spare time, John writes for the "Dial" and his poems particularly have been something of which the "Dial" can well be proud.

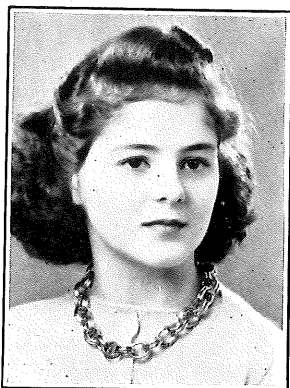

MARJORIE RUTH WARNER

"Margie"

"She moves a goddess, and she looks a queen."

S. A. 3, 4; Girls' League 2, 3, 4; Junior Red Cross 2, 3, 4. Never tardy. No demerits. Burr Junior High School. Bay Path Institute.

Statisticians claim that a majority of the members of the fairer sex are natural blondes. Marjorie's hair not only is a sure proof of this claim, but also possesses a texture and hue which many a less fortunate girl has envied.

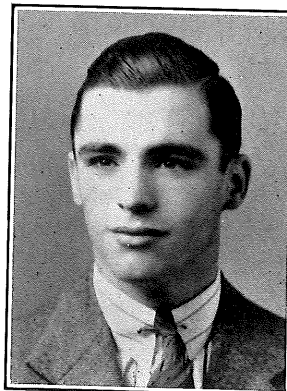

MARTHA ANN BRECKENRIDGE WELLS

"Marty"

"Sparkling and sweet, she's cute as she's neat."

A. A. 1, 2; S. A. 3, 4; Girls' League 1, 2, 3, 4, Executive Council 2, 4, Representative 1, 3, 4; Girls' Leaders Corps 2, 3, 4, Treasurer 3, 4; Classical Club 3, 4, Secretary 4; Literary Club 4; Honor Society 3, 4. No demerits. Southwest School. Smith College.

Would you believe at first glance that this "petite fille" could be so dynamic? Sparkling vitality and exuberance, combined with scholastic ability, are her predominant qualities.

ALDEN CHARLES WERNEKING

"Al"

"His only fault is that he has no fault."

A. A. 1, 2; Boys' Club 1, 2, 4; Baseball Team 2, 3, 4; Intramural Basketball 1, 2, 3. Never absent. Never tardy. Southwest School. University of Notre Dame.

Don't be alarmed if, at some school dance or game, a flash of lightning should pass before your eyes. It will merely be Alden taking one of his many photographs. (Confidentially, he has two other hobbies, dancing and baseball.)

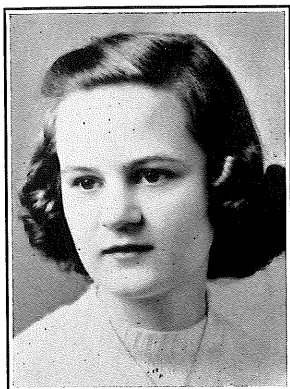

HERBERT E. WETMORE

"Beanpole"

"Is it nice to be as tall as he?"

A. A. 2, 3; Boys' Club 2, 3; Student Council 2; School Band 2, 3, 4; Upper Class Choir 2, 3, 4; Boys' Glee Club 3, 4; Art Club 4; Track Team 2, 3; Basketball 3. Burr Junior High School.

Herbie is almost as tall as the beanstalk that Jack grew, which gives him all the strength he needs to blow that trumpet.

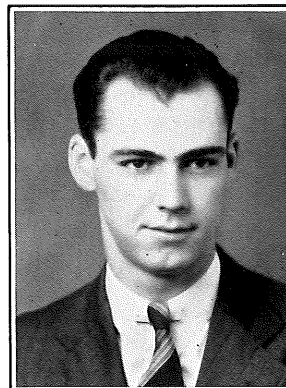

HELEN ELIZABETH WHIPPLE

"Hewie"

"Pearl of great price."

A. A. 2, 3, 4; Girls' League 2, 3, 4; Scribblers' Club 2, 3, 4; Literary Club 4; Torch Business Board 3, 4, Assistant Business Manager 4; Honor Society 4; Kickball Team 2. No demerits. Burr Junior High School. University of Connecticut.

One of the most truly likable people we know, Helen has been an active and respected member of our class during all our stay at Bulkeley.

HAROLD ARTHUR WHITE

"Whitie"

"Diligence is the mother of good fortune."

Boys' Club 4; Upper Class Choir 2, 3, 4; Boys' Glee Club 4; Track Team 2, 3, 4. Never tardy. Weaver High.

Though Harold has been in our class for some time, many of us have not come in close contact with him until recently, when he added tidy bits of entertainment to the "Torch" shows with his unique harmonica playing.

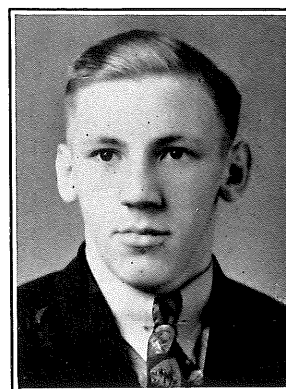

LOIS VIRGINIA WHITE

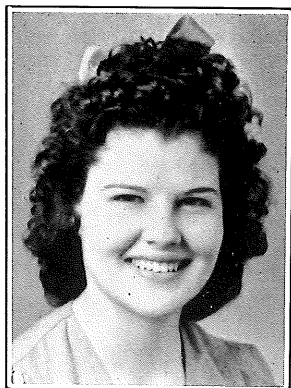

"Lo"

"Like a rich jewel in an Ethiop's ear."

A. A. 3, 4; Girls' League 2; Art Club 2, 3, 4; Junior Red Cross 2, 3, 4; Scribblers Club 2; Swimming Club 3; Girls' Biology Club 4; Honor Society 4. No demerits. Burr Junior High School. Hartford Hospital Nurses' Training School.

Serious yet gay, quiet yet active, Lois has made a place in Bulkeley's activities. Hers is an ideal type of personality for nursing, her chosen career.

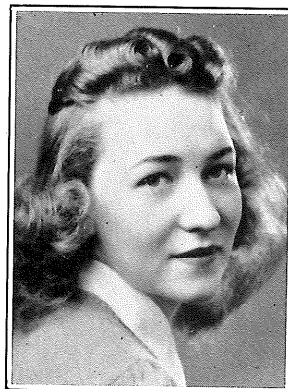

RUTH RITA WHITE
"Ruthie"

"Joy rises in me, like a summer's morn."

A. A. 2; S. A. 3, 4; Girls' League 2, 3, 4; Ping Pong 3; Kickball 4. Never absent. Never tardy. Burr Junior High School.

Anyone who knows Ruth very well certainly has found out how she loves the outdoors, with its hikes and swims and all the jollity that goes with it.

KATHERINE F. WILBANKS
"Kay"

"Sing away sorrow, cast away care."

A. A. 2, 3, 4; Upper Class Choir 2, 4; Art Club 4; Junior Red Cross 4; Basketball 4; Swimming Team 4. Miami, Florida, Senior High School. Rollins College.

If you feel in the mood for some good, clean fun, we advise you to see Kay. Perhaps her professional career as singer and dancer makes her thus, but we don't care.

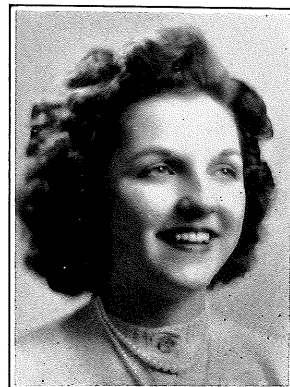

CLAIRE SARAH WILCOX
"Willie"

"Life is not life at all without delight."

Girls' League 1, 2, 3, 4; Honor Society 3, 4; Junior Dramatic Club 2; Senior Dramatic Club 4; Mathematics Club 4; Upper Class Choir 2; Junior Red Cross 4; Advertising Manager of Torch 3; Torch Business Manager 2. Southwest School. Vassar College.

Claire's acting ability has been one of the greatest assets of the Senior Class. Her wit and humor never fail to pep up a dull moment, or to put everyone at his ease.

JULIA C. WILKOS
"Julie"

"Her cheerful smile lasts all the while."

A. A. 2; S. A. 3, 4; Girls' League 2, 3, 4; Girls' Ping Pong Club 2, 3, Treasurer 2; Girls' Leaders Corps 3, 4, Secretary 4; Classical Club 3, 4, President 4; Junior Red Cross 2, 3, 4, Secretary-Treasurer 4; Literary Club 4; Tuberculosis Committee 4; "Torch" Editorial Board 2, 3, 4; Student Council 4; Honor Society 4. No demerits. Burr Junior High School.

Whether or not there is sunshine outside, there is always a bright smile on Julie Wilkos's face. Her dimples can't help but attract everyone to her.

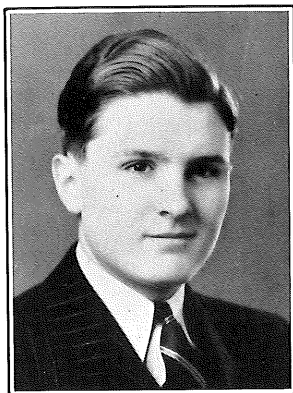

DOROTHY LOUISE WILLIAMS
"Dotty"

"For she is a grand optimist and a very dainty miss."

A. A. 1, 2; S. A. 3, 4; Girls' Swimming Club 3; Ni-No-Van 3, 4; Girls' Leaders Corps 3, 4; Torch Board 3. Never tardy. No demerits. Southwest School. Comptometer School of Hartford.

Dot is an irrepressibly happy person. She sees the bright side of everything and is always able to keep up the spirits of a party. We need more optimistic souls like Dot.

VINCENT GERARD WILLIAMS
"Vin"

"Great men are always recognized."

A. A. 1, 2, 3, 4; Boys' Club 1, 2, 3, 4; Boys' Glee Club 1, 2; Upper Class Choir 2; Biological Repertory 2; Chess Club 2, 3, Treasurer 3; Boys' Biology Club 3, 4; Classical Club 4, Vice-President 4. Southwest School. The Citadel.

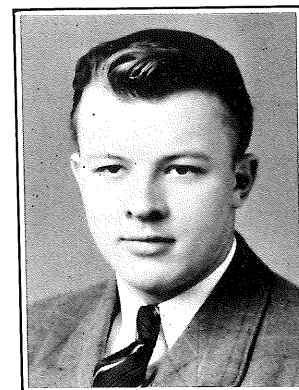

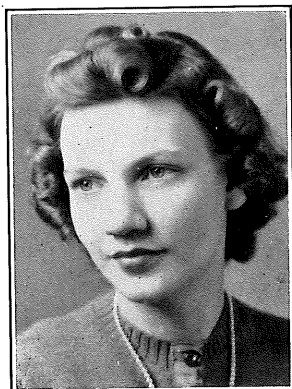

Vin is one of the boys known to absolutely the whole student body. But there is one fact about Vin that is not known very widely—that he is an accomplished magician.

HAROLD EDWARD WILSON
"Hal"

"I'll warrant him heart-whole."

A. A. 1, 2; Boys' Club 1; Football 4. Washington Street School.

Hal was quite a sports enthusiast as well as a capable participant. His favorite sports were swimming and football. Hal surely attacks everything with zest.

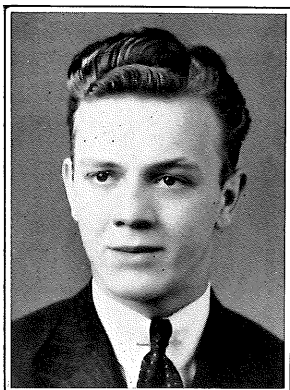

PATRICIA EVELYN WILSON
"Patty"

"How widely her agencies vary."

A. A. 1, 2, 3, 4; Girls' League 1, 2, 3, 4; Junior Red Cross 1, 2, 3, 4; History-Civics Club 4. Never tardy. No demerits. Southwest School. Nurses' Training School.

Someday, you'll probably see Patty as hostess on a transcontinental airliner. She'll certainly make wonderful company if her personality remains as charming as it was at Bulkeley.

ROBERT G. WILSON
"Bob"

"A regular fellow."

Burr Junior High School.
There's no more "regular" fellow than Bob. He did not always have a lot to say, but when he spoke he did so wisely.

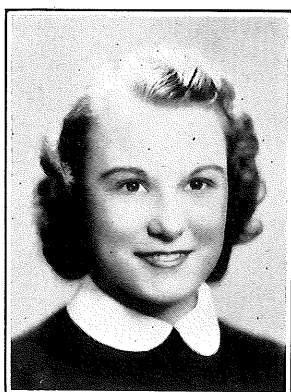

JUDITH WILSON WINSHIP
"Judy"

"Had I a heart for falsehood framed,
I ne'er could injure you."

A. A. 3; S. A. 4; Girls' League 4. Never tardy. No demerits.
Burr Junior High. Hartford Junior College.

Judith will always be remembered as a tiny, conservative, brilliant girl. Her friendliness and her willingness to help others have made her a treasured friend.

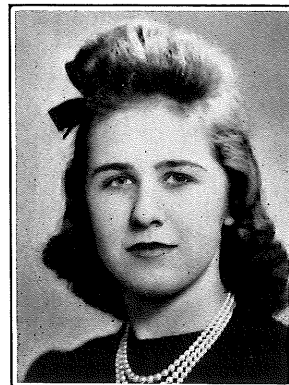

ELIZABETH MARION WINTER
"Betty"

"Just being happy is a fine thing to do,
Looking on the bright side instead of the blue."

A. A. 2; S. A. 3, 4; Girls' League 2, 3, 4; Torch Editorial Board 2, 3, 4; Student Council 2, 3; Student Court 3; Junior Red Cross 2, 3, 4; Secretary-Treasurer 2, Vice-President 3, President 4; Junior Prom Committee 3; Girls' Leaders Corps 3, 4; Room Treasurer 3; Girls' Swimming Club 3, 4; President 4; Literary Club 4. Never tardy. No demerits. Burr Junior High School.

We attribute Betty's popularity to her immense vitality and constant consideration for others. If you chance to sight a cheery little gathering, Betty will no doubt be the center of it.

HELEN ANNE WONDOLOSKI

"Her wit was more than man."

A. A. 2, 3, 4; Girls' League 2, 3; Girls' Leaders Corps 2, 3, 4; Girls' Swimming Club 3, 4; Torch Editorial Board 2, 3; Classical Club 4; Junior Red Cross 2, 4; Girls' Ping Pong Club 3; Kickball Team 2, 3, 4. Burr Junior High School. University of Connecticut.

There's no greater supporter of the Bulkeley dances than Helen. On the other hand, don't get the idea that she indulges in all play and no work, for Helen is one of the brightest students in Bulkeley.

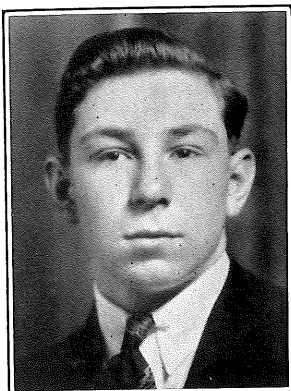

JENNIE AGNES YONAN

"Jen"

"In maiden meditation, fancy free."

A. A. 2, 3, 4; Girls' League 1, 4. Southwest School. Bay Path Institute.

At first glance Jennie appears to be very serious-minded, but many times she has been seen giggling at some joke told by a fellow classmate.

WILLIAM YOREO, JR.

"Bill"

"According to the proverb, the best things are the most difficult."

Track Team 3, 4; Boys' Biology Club 3, 4; Swimming Club 3, 4. Never tardy. Burr Junior High School. Putnam School of Aeronautics.

Vacations came and went; marking periods commenced and ended; but still the grin on Bill's face remained the same. His astonishing dismissal of cares and petty tribulations won for him an honored place in the hearts of all his friends and classmates.

SAMUEL W. YOUNG

"Sammy"

"Genius does what it must, talent does what it can."

A. A. 2, 3; Boys' Club 2, 3, 4; Art Club 2, 3; Upper Class Choir 4; Legislative Club 4; Debating Club 4; Chess Club 4; Boys' Glee Club 4; Track 2, 3, 4; Basketball 4; Football 4; Tennis Team 2, 3. Burr Junior High School. Atlanta Business and Law School.

We are certainly sorry for those few who have not happened to make Sammy's acquaintance during their stay at Bulkeley, because they have missed knowing a chap with a wonderful personality. His contributions to the track team have also been worthy of note.

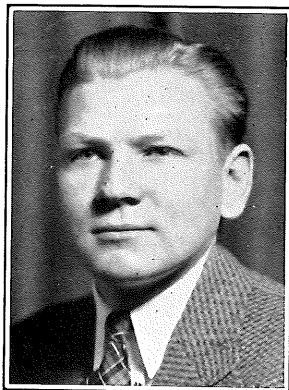

BESSIE ATHENA ZAFRANIS

"Be-be"

"What is well done is done soon enough."

S. A. 4; Girls' League 4; "Dial" Typist 4; Ping Pong Club 3. Never tardy. No demerits. Stephen S. Palmer High. Bay Path Institute.

If you have ever had the opportunity to speak with Bessie, you could not help noticing the quiet smoothness of her pleasant voice, a quality which has distinguished her from others.

RAYMOND JOHN ZAK

"Ray"

"By the work one knows the workman."

S. A. 3; Boys' Club 2, 3, 4; School Band 3, 4; Senior Orchestra 2, 3, 4; Chess Club 2; Math Club 4; German Club 4, President 4. No demerits. Burr Junior High School. Yale University.

Raymond, a husky and fair-haired youth, will always be remembered by his Latin and German classmates because of his remarkable ability in those subjects, and his willingness to help others when they found the going a little rough.

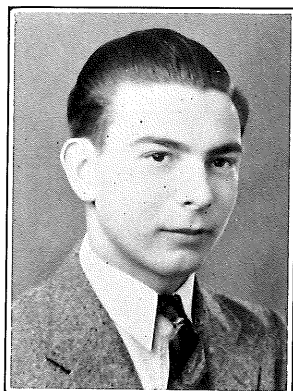

SYLVIA EDITH ZARETSKY

"Syl"

"Nature forms us for ourselves, not for others."

S. A. 4; Girls' League 2, 4; German Club 3; Honor Society 3, 4; Swimming Club 4; French Club 4; Junior Red Cross 4. Never tardy. No demerits. Burr Junior High. University of Connecticut.

"We, the student body of Bulkeley High, hereby proclaim that Sylvia should not take life as seriously in the future as she has in the past." Now, don't get us wrong, for Sylvia, in addition to her ability to play the piano, is a really grand girl.

CLIFFORD RAYMOND ZILLHART

"Zill"

"Thou art the man."

Boys' Club 2, 3; Football Team 3, 4. Never tardy. Burr Junior High School. Villanova.

If anyone has ever wondered who the boy is with the flashy clothes, athletic physique, and attractive countenance—it's Cliff.

MARIANINA BRESCIA

"Mary"

"Something new
Has that irresistible hue."

S. A. 4; Girls' League 4; Red Cross 4. Never tardy. No demerits.

Mary has hailed from New York, only too recently. We sincerely hope that your short stay at B. H. S. has delighted you, Mary; for it has been a real pleasure for us.

JOSEPH BUCCHERE

"Joe"

"Good health and good sense are two of life's greatest blessings."

IRENE MARIE CHIASCIONE

"Buddy"

"To be strong is to be happy."

A. A. 1, 2; S. A. 3, 4; Girls' League 1; Saint Augustine's School. Saint Francis' Training School.

When better nurses are made, Irene will surely be one of them. Her vivacity, strength of character, and charm will be happy additions to a profession already great.

MAURICE RAYMOND CRONIN

"Ray"

"The laughing king that caught the world's great hands."

A. A. 2, 3; Boys' Club 2, 3. Burr Junior High School.

Because of his exceptionally fine personality Ray has a host of friends. His sound judgment allied with his wonderful sense of humor will make him a success in any field.

ROLAND DELLA GROTTA

"Recognizes ever and anon
The breeze of Nature stirring in his soul."

No demerits. Revere High School.

Roland's good-humored acceptance of a situation, even when unpleasant, and his care-lifting smile are only two of the many pleasing qualities which he possesses.

ADELINE FONTANELLA

"We meet thee like a pleasant thought."

A. A. 2, 3, 4; Honor Society 3, 4. No demerits. Burr Junior High School.

Although Mrs. Fontanella was older than we were, she never failed to be one of us. Many are the students who will long remember her wisdom and helpful advice at difficult times. She was a living example of the adage: "It is never too late to learn."

ANTHONY EMIL GESUALDI

"Tony"

"Sir, your wit ambles well; it goes easily."

A. A. 1, 2; S. A. 3, 4; Boys' Club 1, 2, 3, 4. Burr Junior High School.

"Tony" is a very happy-go-lucky lad. He is the sort of fellow who smiles when he finds he really isn't fooling the teacher he has been trying to bluff.

EDMUND STANLEY GRANATEK

"Grany"

"Row on, whatever happens."

A. A. 1, 2; S. A. 3, 4; Boys' Club 2, 4; Art Club 3; Swimming Club 4; Assistant Manager of Baseball 2, 3. Never tardy. No demerits. Burr Junior High School. Trinity College.

"Grany" is one of those more or less forgotten men behind the scenes—an athletic manager. He has proved extremely capable in that capacity.

RUTH MILLER

"Ruthie"

"A good disposition
Will secure an excellent position."

Girls' League 4. No demerits. Weaver High School.

Ruthie has been with us but a short while, much to our regret. During this time her willingness to assist has aided her in the cultivation of everlasting friendships.

JOHN MOLUMPHY

"Red"

"Dance 'til your heart's content."

S. A. 4; Boys' Club 4; Chess Club 4; Swimming Club 4. Hartford Public High School.

"Red" is certainly one of Bulkeley's most assiduous jitterbugs. He can whirl a girl around the dance floor quicker than you can twirl a curl.

PAUL STRUBELL

"Pleasure and action make the hours seem short."

A. A. 2, 3, 4; Boys' Club 2, 3, 4. Burr Junior High School.

Here's a quiet boy who possesses a keen sense of humor and a love for all sports. Paul is sure to succeed in whatever he may undertake through sheer force of personality.

WILLIAM TOOMEY

"Bill"

"A gentleman of courage."

Bill possesses all the signs of a philosopher and deep thinker. However, a broad smile frequently illuminates his grave countenance.

KATHLEEN WITTMAN

"Kay"

"A sight to delight in."

Girls' League 3, 4; Upper Class Choir 4. No demerits. Mt. St. Joseph Academy.

CHAIRMAN'S ADDRESS

Parents, Teachers, and Friends:

It is my privilege and pleasure, as representative of my class, to bid you welcome to our Class Night Exercises.

The past four years have taught us much. Especially have they made us realize the patience that you, our parents, teachers, and friends, have shown. It is on this occasion, then, that we wish to express our appreciation of the understanding, help, and guidance you have so freely given us.

Tonight we invite you to enter into the spirit of our Class Night Exercises. We are proud to present some of our more gifted classmates, whose talent—vocal, instrumental, and oratorical—will, we trust, interest and entertain you.

Again, may I, speaking for my class, bid you a cordial welcome.

CLARENCE N. GUSTAFSON

Class Oration

OUR CIVIL LIBERTIES

NE of the most popular radio programs on the air today is known as "We—the People". It is most probable that this justly popular program appropriates its title from the Preamble to our Constitution, for in this instrument of our government the significance of the words, "We—the People" lies in the fact that the rights and privileges embodied therein have their source and wellspring in the people. Our founding fathers shrewdly foresaw that the maintenance of our democracy would be insured only if the civil liberties of the *individual* were guaranteed and protected. Therefore, the Bill of Rights, one of the triumphs of civilization, came into being. In this group of laws such inalienable rights as freedom of speech, freedom of conscience, freedom of press and assembly, are zealously guarded, for they are certainly starry constellations in our political firmament.

And, since ours is a popular form of government, great heed must be paid to these civil liberties. For the people, in whom these rights and privileges are justly vested, become the motivating force of our government. When these civil liberties are fully enjoyed by the masses of the citizenry, we actually have government for, by, and of the people. We cherish dearly the fact that here in the United States our leaders may influence us, but they cannot *command* us.

Realizing the true importance of our inalienable rights, we may well ask the question, "Have our civil liberties ever been encroached upon?" It is distressing to reply that they have been abridged in many cases and at different times. I shall discuss the status of our civil liberties during peacetime, since in war every nation becomes virtually a dictatorship.

Permit me to review a few instances which clearly reveal a definite encroachment upon the civil liberties of the individual. Recently we saw an example of this in the actions of the Dies Committee. All are aware that this committee aims mainly to eradicate un-American activities. It is not surprising, then, that such a group engaged in so comprehensive and sweeping an inquiry should in its zeal overstep the bounds of propriety. Just recently Judge Welch of the Federal District Court of Philadelphia ordered the arrest of two agents of the Dies Committee on the charge of conspiracy to violate the Bill of Rights. These two government agents authorized the raid by twenty-five policemen of a Communist office. This was a clear-cut infringement upon the right of private property. The Judge very

carefully pointed out that the arrest was not a denial of the aims of the Dies Committee, but rather a strenuous objection to the Committee's manner of procedure.

This illustration reveals that such an authority acting arbitrarily and high-handedly may prove to be just as un-American as the disintegrating forces it seeks to abolish.

The recent Paterson, New Jersey, silk strike is an outstanding example of grievance over the abrogation of civil liberties. The strikers were forcefully prohibited by the municipal police from entering their own private hold, on the pretext that they were so aroused that they might cause civic disorder if permitted to assemble. The strikers were aided in their fight for the principle of freedom of assembly by various organizations interested in safeguarding civil liberties. Finally, through dogged persistence on the part of all those concerned, the strikers were granted their constitutional right to assemble.

As regards our love of freedom of speech, I would relate the rather humorous incident which occurred in Cleveland a few years ago. Numerous societies, resenting the trampling of the grass in the parks by people who were wont to listen to the rantings of soap-box orators there, complained vehemently to the Mayor, whose emphatic answer was, "Free speech is more important than grass".

We have in contradistinction to this laudable example the dubious position taken by a mayor of one of our large Eastern cities when he obstinately denied the right of freedom of speech to those whose opinions were at variance with his own. The Supreme Court finally ruled his position untenable, thereby providing for the necessary enforcement of the Bill of Rights.

We have also innumerable other instances, which I might mention briefly, that are directly related to this topic. For one, a Massachusetts highschool girl was expelled from school because of her refusal to salute the American flag—a refusal predicated by a religious scruple. We also frequently hear of the censorship of books, plays, and movies, outstanding examples being the questionable plays, *Tobacco Road*, *Yes, My Darling Daughter*, and *Birth of a Nation*. From these examples we are prone to ask: "Why are our civil liberties curtailed?"

As regards this interesting and extremely important question we find that there are two intelligent viewpoints held by equally zealous factions. One group maintains vigorously and patriotically that radical or disintegrating ideas must not be allowed to permeate the democratic spirit of our nation. This faction advocates censorship, the suppression of civil liberties; the other group maintains fervidly, and with equal patriotism, that our civil liberties must never be abridged, for in abrogating the civil liberties of one person, the civil liberties of all are endangered. Its members further contend that in attempting to stifle the theories of radicals we are in effect propagating them, for we make the leaders martyrs to their cause.

They cry that America is in more danger from suppression than from violence. "Suppression breeds revolution" is their motto.

Here we have an interesting question of paramount importance to every American. Today, when so many attempts are being made to establish "isms" in the United States, when so many prominent citizens are summoned before the much-discussed Dies Committee, when there are more disastrous labor conflicts than ever before, this question of civil liberties is certainly relevant to our current problems. If answered, it may be the solution to many of them. Therefore, it is the duty of each of us to seek the best answer to this very contentious question.

Regardless of the opposing viewpoints concerning our civil liberties, we observe, from careful examination of the question, that there are certain obvious facts; namely, the truth will be revealed only when there is free expression of all viewpoints; liberty misused becomes "license,"; and most important of all, democracy will prevail only if we, the people, accept our greatest responsibility, namely, that of managing the government.

Finally, may I conclude from the diverse illustrations presented that not only is "Eternal vigilance the price of liberty", but that cherished blessings secured for us in the Bill of Rights must be constantly nurtured and zealously guarded, even in halcyon days of prosperity, by a liberty-loving citizenry ever alert to potential sedition in order that the beacon light of freedom may beam with an incandescent glow, shedding its brilliance over all the land and warming the hearts of "Us, the people."

Class Essay

FOSTERED PHOBIAS

S America becomes increasingly complex-conscious, psychoanalysts can feel assured of a steady market for the hundreds of dollars' worth of sympathy which they lavish each day upon anxious patients. Rather rare is the modern American without some sort of phobia—he it aversion to elevators, passionate devotion to radio serials, or antipathy to prunes. Before the psychiatrists' heyday, most people regarded such harmless eccentricities as natural. Since World War I, however, the average citizen, often afflicted by nervous fears, has allowed his prejudices to grow into healthy—or unhealthy—obsessions. Although ungrateful alienists, who profit richly from the phobias of others, condemn these complexes as hindrances to personality, their effect is often beneficial.

Let us consider what society has gained from the discovery of the phobia. We now realize that the milkman who whistles "Rigoletto" beneath our window at four A. M. is a frustrated musician who *must* have an audience, however unwilling. Does this make us appreciate his whistling? No. But in self-defense we may develop a complex which makes it necessary for us to hear opera before dawn. Thus, everyone is happy until the milkman's route is changed.

Before the benign Sigmund Freud explored the hitherto indifferently beaten path of mental mazes, poor old Samuel Johnson believed himself partially insane because he was conscientious about tapping with his cane every fence post he passed. Today a beaming psychiatrist could inform the harried genius that he was not demented but possessed of an extraordinary phobia caused by an event of his babyhood. Given a complex to nurse, Johnson might have been happier, but he might also have been too absorbed with himself to write, which would have been unfortunate for Mr. Boswell.

A well-developed complex provides its victim with a mysterious feeling of importance, a comfortable sense of martyrdom, and the happy knowledge that he is unique. It is more practical than a hobby, for one must sometimes leave his stamp album at home, while his passion for talking about himself is constantly with him to cheer his lonely path. (Indulgence of this pastime will quickly provide him with a *very* lonely path.)

Phobias are conversational gold mines. A patient who detests zebras may know that the striped creatures in the zoo are unpleasantly reminiscent of the

uniform his Uncle Si received when he was caught moonshining, creating an unpleasant scandal back home. In the rough, this anti-zebra complex is not only useless but embarrassing. A good alienist, however, consulting weighty tomes, deduces that his patient's grandfather feared the stripes on a barber-pole and that hatred of that pattern is a family failing. With a song in his heart, the grateful citizen departs, begging the doctor to discover the cause of grandpa's phobia, while the psychoanalyst decides that he will be able to afford that new radio which he so acutely desires (it's almost a complex with him) and also a phonograph attachment.

Children, as a class, are the chief beneficiaries of our knowledge. Under the tolerant gaze of science, juvenile wilfulness is the aftermath of frustration (the parent's fault). Destructiveness can be only the result of suppression—again traceable to parental stupidity. It would not be surprising if the next generation should experience a revolt of Organized Childhood against Organized Parenthood, or vice-versa. Meanwhile the present armed truce supplies the magazines with excellent material.

In the benighted age before phobias had taken their rightful place in civilization, two gentlemen walking across a narrow bridge might, like Robin Hood and Little John, come to blows over the right-of-way. This was barbarous indeed, but eventually each could reach his destination, one walking, the other swimming. This evening, however, if two corpulent individuals, each with a deep rooted complex against allowing the other to precede him, wished to board a trolley car, traffic might be delayed until the authorities intervened or the step was widened, for the gentlemen would respect one another's dilemma. Their families, waiting impatiently for dinner, might reasonably question the value of scientific enlightenment.

In common with our ancestors, we are inclined to accuse the world and the tempo of the times for the greater proportion of our annoyances. More than a thousand years ago, Cicero, ignorant of swing, parking tickets, and soap contests, did likewise. It is possible that our uneasiness may come, not so much from the world, abused planet, as from our ceaseless attempts to be carbon copies of each other. When people are so busy doing the conventional thing, so chary of being thought peculiar that they have not time to be themselves, a complex or two is almost a necessity. When we sacrifice our individuality we cannot become really acquainted with ourselves. If we have looked at life more from the view point of the third person plural than from that of the first person singular, we shall inevitably feel bewildered at some time. No matter what we do in life, there will be critics to comment upon our manner of doing it. He who dares to be different, to act independently, will have distinguishing characteristics—how uninteresting he would be if he had not!—but he will be free from artificial phobias. The supposedly "queer"

people have contributed most to the world. Certainly, forgetful of the neighbors' watchful eyes, they have been happiest. Which would you prefer—an existence of somber sanity, or a life of cheerful dementia?

Psychoanalyst, I defy you!
Phobias, I must deny you!
Mental quirks do not affect me.
Alienists need ne'er protect me.
My ego couldn't be augmented
By the thought that I'm demented.
I could write a treatise formal
On the fact that I am normal.
It is never my intention
To be bullied by convention.
Fear of complex have I none—
The *doctor* says I haven't one!

CLASS HISTORY

Authors—Julie Wilkos and John Hickey

Scene—A radio station broadcasting room complete with signs and mikes.

Announcer—"Good evening, ladies and gentlemen! Station WBHS will endeavor this evening to offer you a novelty in broadcasting. Sitting beside me in the studio are the two renowned scientists, Dr. Hickey and Dr. Wilkos. As you undoubtedly know, these two doctors have been conducting numerous experiments in an attempt to construct a machine that will enable them to look into the past and uncover its most minute details. At last this machine has been perfected, and in a few moments our two distinguished guests will utilize it to look back on the four most exciting years of their lives. The staging of this experiment will necessitate complete silence on the part of the studio audience, as any interruption may prove fatal to the broadcast. I now present to you Dr. Hickey and Dr. Wilkos."

Setting—The historians are seated at a desk mike in front of a weird looking machine which, when in operation, supposedly produces a written record, in exact detail, of the occurrence which the operator wants revived.

Historian—"Thank you, Mr. Announcer, and good evening, ladies and gentlemen. This machine, if operated correctly, will give us, expertly typed, an exact statement of any historical fact from any designated period. For this demonstration, Dr. Wilkos and I have chosen to look back on our days spent at Bulkeley High School. I have only to push this lever to produce our first bit of historical data, and now if Dr. Wilkos will be so kind as to read it, we will endeavor to bring back some of the more important events of our high school years.

The class of 1940 was not present at Bulkeley in its entirety during the freshman year, because many of the pupils were obliged to attend a junior high school.

The fact that we were merely a group of obscure lower classmen greatly hindered our progress in school activities during that year. We finally made a start when "Midge" Johnson was among the first to see her name in the "dirt" column of Bulkeley's ever-popular periodical, the *Torch*.

Florence Fortin, Beatrice Lieb, Robert Nelson, and William Starkey were admitted to the Junior Dramatic Club, and later on Florence and Beatrice played minor roles in the production "Apple Blossom Time."

None of our classmates were able to penetrate the athletic field as yet, because they were still puny freshmen.

In this stage of practical non-existence, the first chapter of our high school days came to a close.

After surviving that first year, we resolved to settle down and really go somewhere in our sophomore year. As if to reinforce our determination, the class membership was swelled by the addition of the Burr Junior High graduates, about two hundred strong.

It was during that year that our genial Genevieve Devanney first took an active part in the Girls' League.

At the same time, Alice Skinner, Art Brink, Bob Steele, and Jack Rescott, as sophomore members of the Student Council, were of great assistance to the Council in superintending its many social affairs.

In that year, the *Dial* published the first of many literary contributions by the talented Beatrice Lieb.

Joe Garvey, "Bucky" DePaolis, and Jimmy Walker were attempting to gain a place on Bulkeley's football team.

On the baseball field the Bulkeley nine enjoyed an excellent season, winning the city championship for the second consecutive year; but most of our class's talented baseball players, by the law of gravity, were seated in a comfortable position on the bench.

The beginning of our junior year found us firmly entrenched in admiration of our new, thoroughly established position as upper-classmen. After this period of self-admiration, we finally settled down to continue our participation in school activities.

In December, 1938, the Student Council instigated a novel plan of student government, and a Student Court was also established. We had as our only girl representative Elizabeth Winter.

Shortly afterward, the Senior Dramatic Club produced "The Late Christopher Bean", in which Inez Hansen and David Gordon had prominent roles.

On the *Torch* board, Emma Sena and John Kenyon, through their diligence and proved ability, were steadily progressing upward.

An outstanding social event of the season was the third annual Parents' Night, on which the parents of the students were entertained as guests.

At one of our many assemblies, a spirited debate was carried on between members of the Agora and the Boys' Debating Club, in which Rosemary Birmingham, Beatrice Lieb, and Jimmy Desmond upheld the honor of our distinguished class.

Finally that long-awaited event, the Junior Prom, arrived, and a very competent student, Bernard Mullins, was chosen chairman. Other committee heads included: Ruth Carter, Virginia Dolliver, William Starkey, and Agnes Rekas.

During this year, a projection machine was installed, made possible through the organizing genius of our Principal and the loyalty of the former graduating classes. We enjoyed the educational advantages no less than the entertainment made possible by such a piece of equipment, of which we are proud to say Bulkeley High School is the only possessor among the schools of the state.

Also in the course of that eventful year we saw the opening of the newly-equipped, modern clubroom, thanks for which goes to the class of 1938.

Starting that year and continuing into our senior year, the corridors and rooms received their share of W. P. A. improvement in the form of new and sparkling paint.

In company with the W. P. A. workers, we found ourselves in our last year as full-fledged seniors.

The first major social highlight of our senior year was the presentation of the tenth annual Torch Night. The success of the show was assured, with such outstanding classmates as Clare Connor, Beatrice Lieb, Betty Due, Phyllis Brewer, and John Kenyon acting as directors.

The much publicized Inter-Club Dance proved to be one of the outstanding social successes of the year.

Under the sponsorship of the Senior and the Junior Dramatic Clubs, the Starlight Players of Pawling, New York, gave a performance of the comedy, "The Devil's in the Pantry." Later on, the Senior Dramatic Club produced two hits, in both of which talented Rosemary Birmingham played the leading role, receiving capable support from Mary Bloise, David Gordon, Virginia Dolliver, and Paul Sessa.

The following prominent students were elected to office in the major clubs of the school: Girls' League, Genevieve Devanney; Boys' Club, Clarence Gustafson; Honor Society, Florence Fortin; Student Council, James Desmond; Girls' Leaders Corps, Clare Connor.

Reviving an old custom, the Classical Club gave a matinee dance which proved to be a great success.

Emma Sena and John Kenyon were elected co-editors of the *Torch*, and Mary Macchi and Claire Wilcox were promoted to co-business managers.

Beatrice Lieb and Marion Cwikla were elected editor and business manager of the *Dial* respectively.

Graduation activities soon became the most important and foremost thought in our minds.

Emma Sena was proclaimed valedictorian, and Inge Wagline salutatorian of our class.

Florence Fortin was also elected editor-in-chief of the Class Book, with Phyllis Fowler as assistant editor. The editorial board contained the names of Paul Sessa, Marion Cwikla, Thomas Bailey, John Gleason, Betty Due, and Santo Conforto.

We cannot omit the series of Senior teas which were enjoyed by the entire class and suavely managed by our committees.

As the time allotted to us for our experiment is nearly consumed, we find it impossible to name everyone who could have contributed to this history, but we can hardly leave without expressing our sincere hope that the class of 1940 have continued to make history in all their later encounters with society.

CLASS PROPHECY

MARY E. MACCHI and BERNARD L. MULLINS

Announcer—This is station WBHS, Hartford, Conn. We bring you now a special program of piano music by Miss Sylvia Zaretsky, well-known for her interpretations of popular music on the blacks and whites. Miss Zaretsky (about 15 seconds of piano music).

B. L. M.—Ladies and Gentlemen! We interrupt this program to bring you a special news bulletin, flashed from "*Arson*" *Larson*, the fire-bug weather man of the U. S. Weather Bureau, who warns Hartford and vicinity of an oncoming hurricane about to strike the city. The cause is undetermined as yet, but geologist *Harry Homicki* expects that *Betty Due* is waging a terrific verbal battle via phone with *Miss Claire Wilcox*, society editor of the "*Miami Bla-Bla*," edited by that nationally known lady-killer, "*Skeets*" *Gustafson*—who evidently got his directions mixed, and is working in Florida instead of Canada.

Here are some local news flashes pertaining to the impending disaster. *Mayor James Michael Desmond* is at present holding a heated debate with *William Landrigan* of the Washington Weather Bureau, asking him to postpone the hurricane, claiming that the citizens of Hartford are unprepared.

We have been notified by *Dr. Vincent Williams*, cut-up, that he is offering his services, and that his office is open to all unfortunates. Although scientist *Chris Kilby* has an idea which, he asserts, will turn the storm off its course, movie-star *Lillian "Lamarr" Jalbert* is still offering her Hartford residence for shelter. It is reported that *Agnes Rekas*, prominent city beautician, is on the brink of a nervous breakdown, and that the *Wm. Ryan* Ambulance is transferring her to the hospital at the rapid rate of two words a minute.

Now to Mary Macchi and some more news of the storm.

M. M.—Ladies and Gentlemen! We read this flash just in from New Haven where the storm is lashing the city in all its fury. *LeConche's* Super Barber Shop was last seen floating through space toward *Heller's* Music Store where *Ruth Carter* features popular tunes. We wonder if this can be blamed on the hurricane or on *John Brennan*, state tennis champion, who was seen getting a shave in the shop. The water has been rising rapidly, and *Thomas Stapleton*, the temperamental artist, was sitting serenely in a row boat off shore, trying to sketch a surrealist masterpiece of the wind.

Back to Hartford and Bulkeley High School, where *Bill Brodeur*, Manager of the printing and mechanical drawing departments, is now printing up a special preview of the storm. *Barbara Felletter*, Dr. Feingold's secretary, is so excited over the news of the storm which is due any minute that she is at present juggling

typewriters, while *Estelle Gerner*, office-girl, is putting on her water-wings preparing for the worst. The wind has been rising rapidly and *Ed Merski*, WPA worker, is now in the act of shinnying up the flag pole atop *Paladino's* Music School to get a bird's eye view of things in general, but especially to catch sight of *Betty Eglar* and *Mary Rice*, professional models, who are staging an audition across the street for *Phil Colovecchio*, movie producer for the "*Hedley Hill Scandals*." *Miss Dorothy Tanner*, census taker, has called *Fire Chief Kulpa* to go to the rescue, but he refuses, because one of his new trucks has just been wrecked by *Doris Goodrich*, the first woman fire truck driver in the country. *Helen Perry*, new Commissioner of Police, has decided to send out *Emelia Kilby*, trapeze artist, to rescue the pole climber. *B. L. M.*—Flash!! The water has reached the State Theatre, where *John Gleason*, the stage manager, is hanging from the chandelier while his chorus girls, including the dance team of *Martel* and *Malloy*, singer *Helen Baum*, and *Doris La Magdelaine*, the glamour girl of 1950, are trying to pacify him. *Paul Sessa* is practising a new dance routine on stilts to keep from getting his feet wet.

The wind has reached a terrific velocity, and the Travelers Tower, swaying perilously, is playing "Kiss Me" with Main Street, where *Joe Higgins* and *Art Frez.*, managers of the Palace and White Tower respectively, are feeding Pinocchio hamburgs to keep him quiet. The storm seems to be at its peak, for we see the "*Ruth Armstom, Barbara Allen Antique Shoppe*" sitting right on Central Row where *Louis Peterson*, musical maestro of WBHS symphony orchestra, is trying to purchase Wm. Tell's bow and arrow which he intends to use as a weather vane.

The *Don Powers* Exterminating Co. is attempting to drive all the jitterbugs from the *Treworthy* estate, in the fear that the Mad Russian, *Edward Marchocki*, might carry her off to Bugvaria. It is reported that *Tetrault's* Building Corp. has been swept down the Connecticut River but is successfully "submarining" for New London Harbor where all is calm, and that the *Ray Zak* Undertaking Parlors have sent a hearse toward Hartford to bring back the glowackus which has been captured and slain by *George Smith*, inventor of the New Demure Dimple Machine.

A report from the local weather bureau states that the storm is rapidly subsiding and that within a short period of time the hurricane will be over.

M. M.—There are many people now out on Main Street looking things over, and by things I mean a demonstration being staged by *Harold Baumstein*, who is selling hurricane insurance and promises to give away a free bottle of Coca-Cola with every policy to make sure that his clients will have enough strength to counteract the next hurricane that comes their way. Nurse *Phyllis Brewer* is applying artificial respiration to *Richard Galvin*, photographer, who fainted when a mouse, believed to be Monty, ran by him on his way to Bulkeley. Miss Brewer's superior, Dr. Kenyon, is enjoying himself by talking over the damage done by the already abated storm with *Midge Johnson*, the mayor's secretary. *Emma Sena* and *Martha Wells*, both social workers, have decided to help *Frank Haynes*, French interpreter,

decipher a telegram sent to him by Attorney *Barbara Snow*, offering her condolences for the loss of his goatee during the big wind.

Capt. Joe Danyliw of the Army Reserve Corps is in charge of the militia and is having some trouble with *Ethyl Hemphill*, eccentric cow-girl singer, who insists on riding her horse on skis through the flood area.

A local bulletin announces that the State Theatre stage show, in order not to lose money, is holding a show right out on Village Street, because the theatre itself is flooded. As an added attraction, the revue is featuring "*Heartbreaker Hatch*" who has recently given up the classics for swing and is losing no time in "Rappin' It Up," for he has already joined *Wes Oliver's* Band as a distinguished piano-tuner. There is quite a crowd attending the performance, and among the multitude is *Barbara Duguid*—one of the chorus dancers in N. Y. Radio City Music Hall—who is escorted by that golf expert, *Bob Holmberg*, P. G. A. Champion. *Dr. Florence Fortin*, school principal, was seen among the audience consoling *Miss Doris Bishop*, of social prominence, for it seems that her companion, *Miss Dot Williams*, left her and sneaked up close to the temporary stage to get a better look at the orchestra leader. *John Csomay*, ace trumpeter, is having a hard time trying to compete with *Julie Wilkos* who plays a toy slide trombone as a novel feature of the group; while that prominent yachtsman, *Eldon Luther*, seems to be enjoying the contest tremendously. Two other outstanding celebrities at this ostentatious display of talent are *John Hickey*, basketball coach at Trinity, and "*Big*" *Dinnie*, professional football star of the Green Tree Pickers.

B. L. M.—The excitement has abated and the citizens of Hartford are now doing what they can do relieve the situation and to estimate the approximate damage from the storm. *Herbert Linder*, well-known for his chain stores, reports \$5,000 damage done to his local establishment, the Hartford Market.

It is reported that the *Bucior* Chemical Laboratory, which is seriously concerned about this phenomenon of storms, is now working on a concoction to reduce the overflow of vitality in the effervescent *Misses Chamberlain* and *Curley*, telephone operators, who were also waging a terrific verbal row shortly before the storm and are now being held by the Chief of Police, *Bob Nelson*, on a \$1.99 bail.

Ladies and Gentlemen—This special broadcast, featuring highlights of the most unusual event in Hartford since a widely celebrated class graduated from Bulkeley High School in 1940, has been brought to you by the *Molloy* and *Cwikla* Corp. Yes, that famous, high-falutin', fantastical faction of faithful fellows and fibbers who give you the best buy for your money in cream puffs and chocolate eclairs.

Your commentators have been *Mary Macchi* and *Bernard Mullins, Jr.* This is the High School Broadcasting System, Station WBHS, Hartford, Conn.

Bernie Mullins leaves his school-girl complexion to "Babe" Allen.

Judith Winship leaves her shy charm to Angela DeMino.

Charlie Hatch leaves his drastic methods of study to "Buster" Harvey.

Katherine McLaughlin dreamily leaves her Virgil to Louise Fowler.

John Ryan bestows his excessive height upon Jackie Liest.

Inge Wagline leaves the "Dial" without a book review.

Alton Stoddard donates his toothless comb to Dick Kelley's "Butch" haircut.

Connie Stevens leaves her winning smile to Jane.

Blaire Rhodes gives all his unpublished and uncopyrighted stories to anyone who'll print them ("Dial" included): you judge the value.

"Oatie" O'Donnell leaves his swift, powerful strides to the cinder track.

Claire Connor leaves her poise and easy manner to Eileen McGuire.

"Skeets" Gustafson leaves his quiet unobtrusive ways to the freshmen who'll undoubtedly use them.

Mary Macchi leaves her ready laugh and sense of humor to future seniors who can't appreciate the 18th century wit of "The Rivals".

Tina Paladino leaves Mr. Brockway—without a prima donna.

"Kilowatt" Giarratano leaves all his natural simplicity to Charlie McCarthy.

Vicky Sola generously leaves her dimples to help some luckless Bulkeleyites who know but can't remember the answers—even teachers sometimes relent.

Mary Tighe leaves record of A's and A+'s in every subject.

Elliot Stein leaves his theory, "On the Relativity of Prime Numbers and Digits—Otherwise Indivisible", to horrify the math teachers.

Thomas Bailey leaves his surname to the other four up-and-coming Baileys at Bulkeley.

Helen Wondoloski leaves the gym floor tired and worn.

Bob Steele leaves his scarlet curls that so intrigue the girls to Melvin Smith.

The milkmaids of Torch Nite fame leave their pails to the W. P. A. painters—long may they splash!

We leave to the Juniors our numerous and sundry privileges as well as our golden voices with which to "raise the standard high" in the proper manner.

Having thus willed and bequeathed these our most valuable worldly possessions, we hereby make affidavit and say that we, the testators, are of sound mind, memory, and judgment to the best of our knowledge and belief.

CLASS POEM

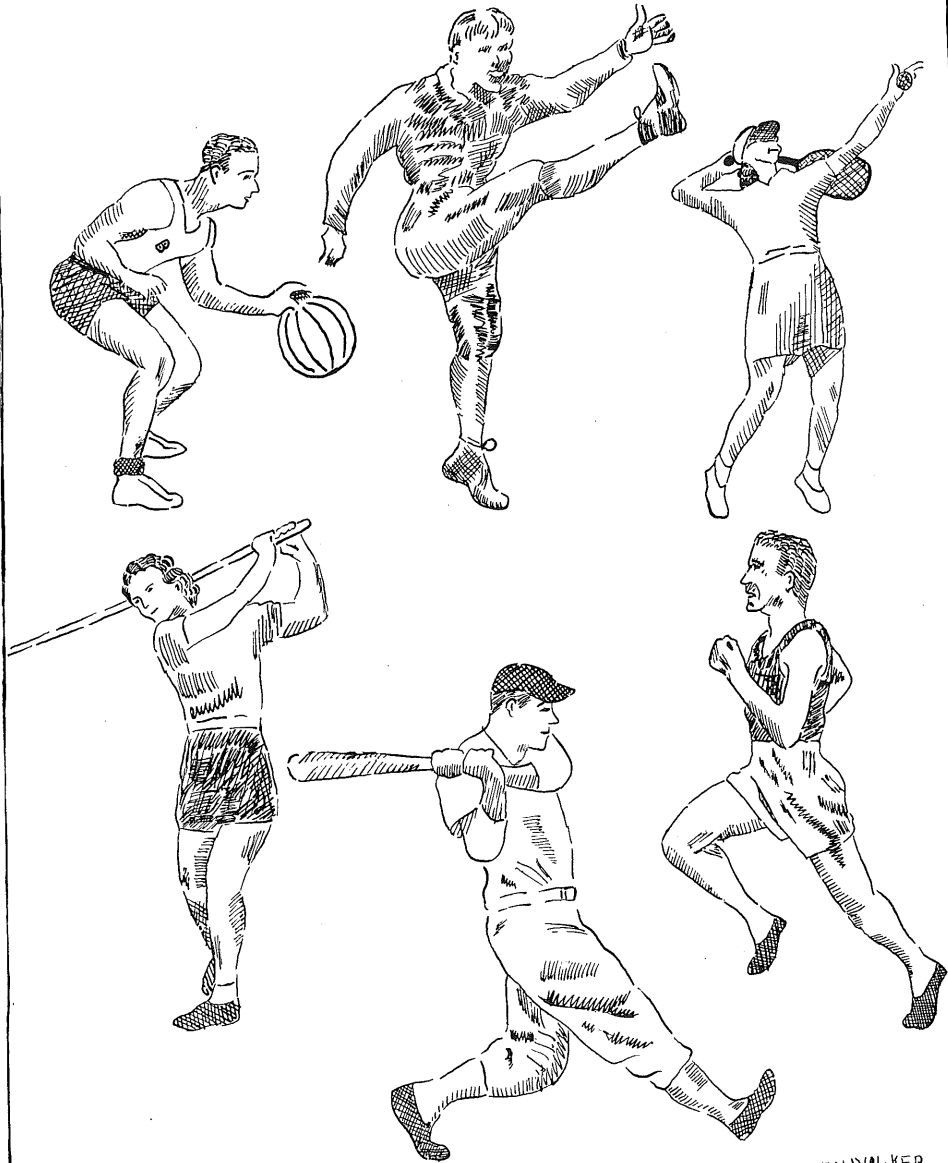

1940

Four years—there has been torment for mankind,
And bitterness, as half the world has fought
For worthless booty. But this time has taught
Five hundred set apart that we can find
The lasting things of life through joy of mind
And strength of soul. Our school has ever sought
To give us these. And now if we have caught
The essence of this truth, we are not blind.

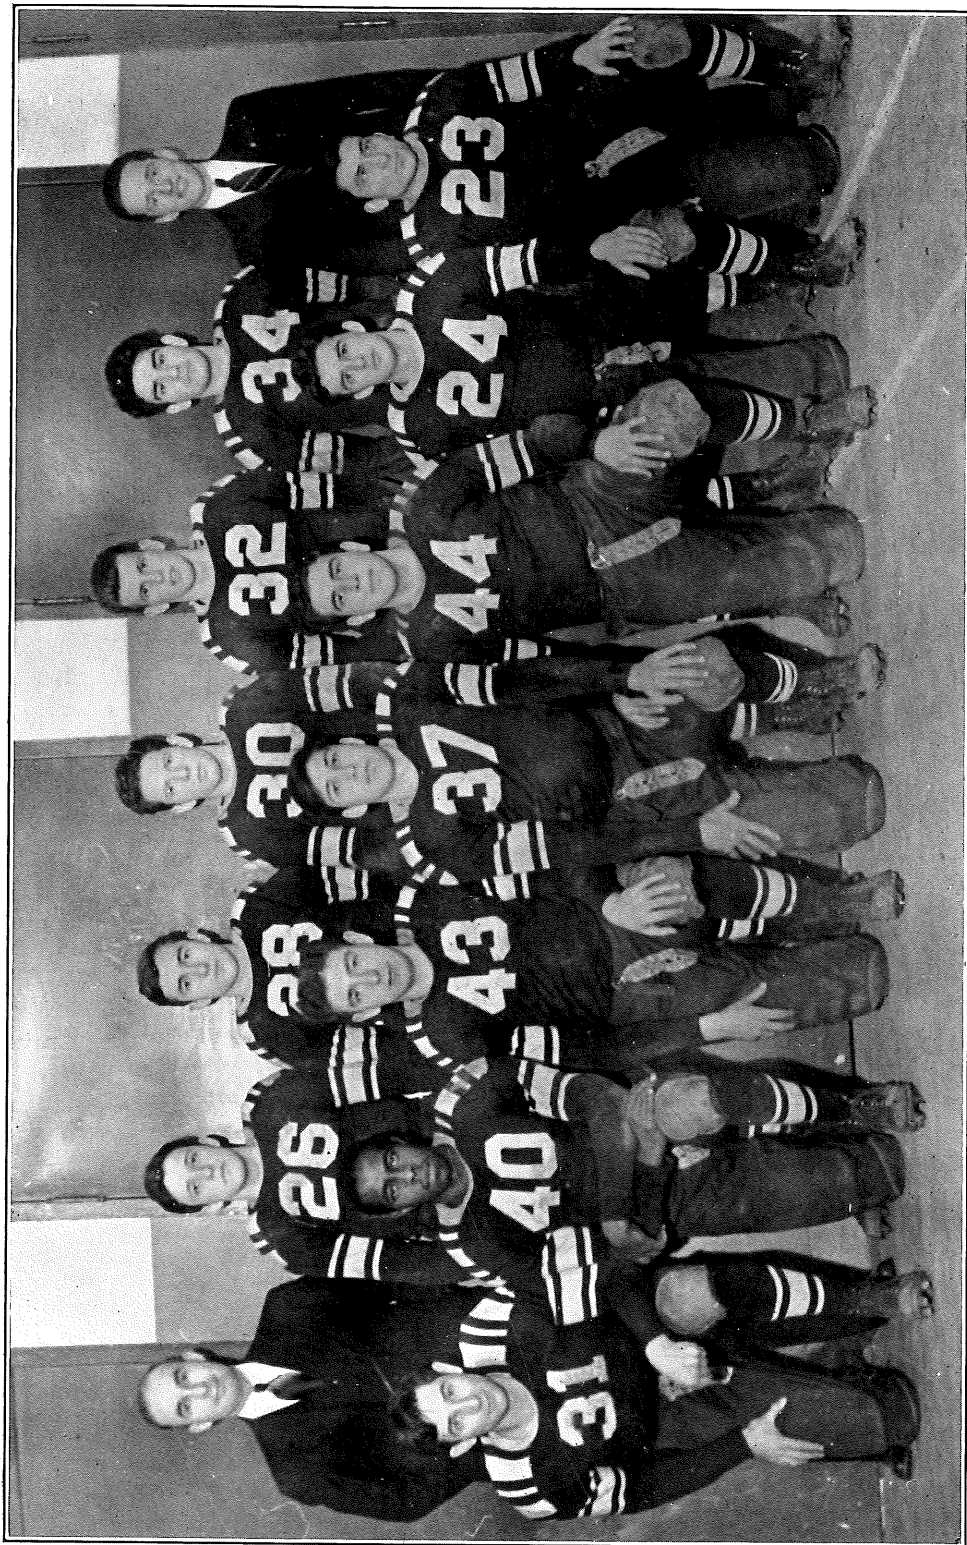

Thus, as we leave, it is our task to build,
To make our world a better, saner place,
Add labor to our dreams, lest passing years
Should find our aspirations unfulfilled.
The preparation over, staunchly face
New life with hopes to counteract all fears.

THE FOOTBALL TEAM

FOOTBALL

AS the Maroon and White began the season it was little anticipated that the campaign would be so poor. A great many of the stars had graduated, but there still was a strong nucleus, including Joseph Garvey, George Groskritz, Captain Jarvis Kinsler, Francis O'Donnell, and Anthony DePaolis. A reason which might be given for the rather dismal record was the lapse of time between games. Weather conditions caused the postponement of games and practice for weeks at a time, and the team was not able to secure sufficient practice and experience.

The team journeyed to West Haven for the first game and was shut out, 19 to 0. In the next game, which was played at home, the team fought the Hartford High eleven to a 7 to 7 tie. This was a very tightly played contest, and good performances were given by Robert Allen, John Watts, John Hickey, and James Walker. This was quite a disappointment because of the alleged weakness of the Hilltoppers. Two defeats followed in a row. A heartbreaker was lost to Weaver by the score of 12 to 6, and Hillhouse managed to squeeze over two touchdowns to better the Allen-men, 12-0. The first and only victory was gained when the team beat West Hartford, 14 to 12. This was a fiercely played tussle and the players came through in fine fashion.

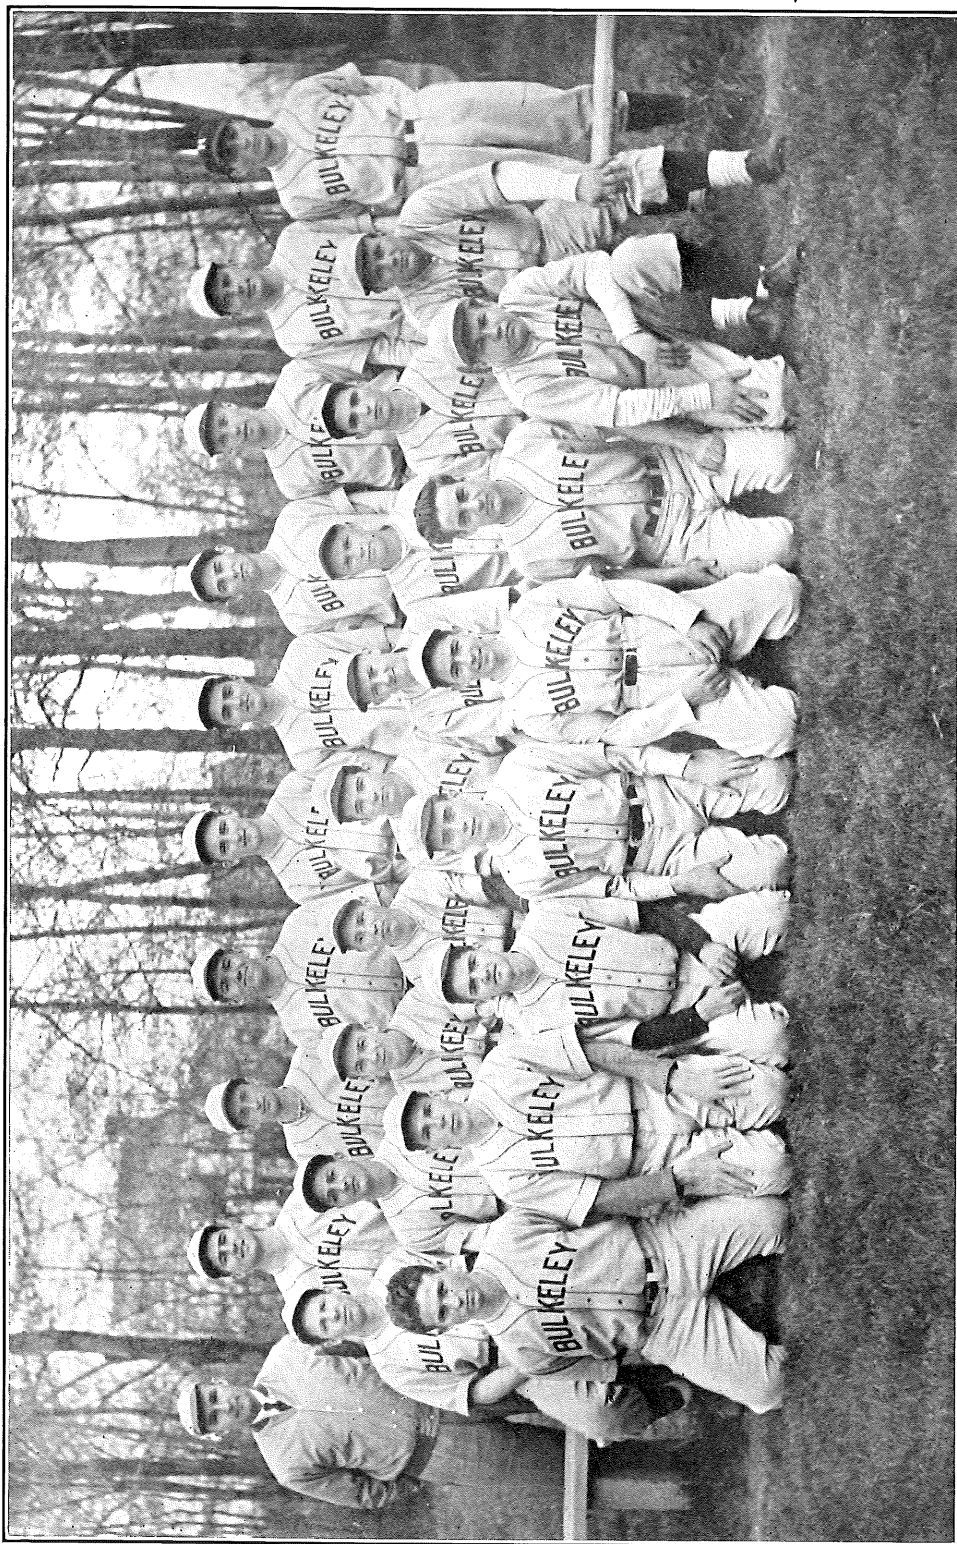

Standing out in the memories of all members of the class will be the game with the powerful New Britain combine. Although they lost the game, the Bulkeley lads showed their potential ability by holding the high scoring New Britain backfield scoreless throughout the first half. It was only a matter of superior substitutes that enabled the Sheamen to push over the two scores which they did garner.

There are several lettermen left over from this year's squad and it is hoped that they will help stow away many a victory for the Bulkeley cause.

THE BASEBALL TEAM

BASEBALL

THE baseball team, after capturing the city championship last year, has won five straight games without a defeat thus far this season. They expect to retain the championship since they have a strong hold on it now after their wins over Weaver and Hartford Trade. The sluggers Dana Newell and Fred Seraphin each are batting around 500 per cent, which is a most enviable batting average in any league. "Babe" Allen also has a wonderful combination in the Connelly brothers, Bill and John. Bill plays third base, while his older brother John is at second. Alden Werneking, a veteran for two years, is the main stalwart of the team when he plays behind the plate. He is one reason why the pitchers are doing so well on the mound this year. Levesque and Conforto are the leading hurlers along with Dick Galvin, who also has been a great aid in the pitcher's box. The team thus far has wins over Hall, East Hartford twice, Weaver, and Hartford Trade. With this clean record the team is expected to go on to great heights, since they have not lost a game this year. Graduation will take about ten lettermen, which will cripple the team for next year, especially in pitching.

BASKETBALL

THE Maroon quintet, sparked by such stalwarts as John Hickey, Joseph Garvey, William Dinnie, Richard Kelly, and Paul Klapprodt, veterans from the previous year's squad, finished the 1939-1940 campaign with a total of four victories and eight defeats. The team used a man-for-man defense, and when on the offense the forwards did most of the shooting and scoring, leaving the work of bringing the ball up the floor to the hard-working guards.

The team opened the season with a defeat at the hands of New Britain. A closely played contest, it was not until the closing minutes that the Hardware City team pulled away to victory. Four more defeats followed in succession, the contests being lost to Weaver by the score of 35 to 25; to Hartford Trade, 39-27; to Hartford High, 28-25; and then to Meriden, 22 to 20. The quintet threw off this losing streak by topping the Trade five, which had previously beaten them, by the score of 25 to 17. Again Dame Fortune took a turn, and the team lost three more straight games to West Haven, New Britain, and Weaver. The scores were respectively 37-29, 31-26, and 26-25. Then, finishing the campaign in whirlwind style, "Babe" Allen's charges managed to capture victories over West Haven, 25 to 20; Hartford High, 43-34, and Meriden, 32-14. In these tussles the boys enjoyed revenge because of the fact that they had been beaten earlier in the season by the losers.

The team played exceptionally well together, and on no occasion was there a show of bad sportsmanship. The attendance at the games was large, showing that the school was behind the team one and all.

TENNIS

LAST year's tennis team came back after a slow start to complete a rather successful season, considering the strength of the opposition. All but three opponents had perfect records for the entire season, so under those conditions our team had a very difficult schedule to play. From last year's squad three lettermen returned. Bill Starkey was elected Captain, since he had played steady tennis in

every match. He was the only former underclassman to play as a regular, and he tied for the most wins with Joe Curley. The other two lettermen were Jack Watts and Bob Steele, who performed well. Jack Watts will return next year, and the team will undoubtedly be built around him.

This year's squad was the largest in the history of the school. Along with Captain Bill Starkey, Jack Watts, and Bob Steele were the Juniors, Bernie McMahon, Jack Newell, and Jim Rafferty. Dick Maloney, who is only a Sophomore, saw quite a little action and will help the team considerably for the next two years. John Kenyon and Bill Ryan also turned in some fine tennis at different times during the season. John Brennan was unable to play this season because of illness, but he devoted much of his time to the team and deserves a great deal of credit for his willingness to help. The season, not yet completed, is turning out to be a successful one. The prospects for next year are very bright, and the city championship will be our aim.

TRACK

THE track team under the able coaching of Mr. Daly is about to complete the best season they have ever had. With five records already broken thus far this year and four meets remaining, the team has not had an equal. The co-captains, "Oatie" O'Donnell and Ken Ogren, have led their team on to four victories against one defeat. In the first meet of the year at East Hartford our squad came from behind to take the last three events to clinch the meet, 55 to 49. Then came their one defeat at the hands of a powerful New Britain team, which is rated as the top team in the state, by the score of 60 to 44. Since we have no home field, all the meets must be held on the opponents' grounds, so the squad travelled to Middletown where Johnny Bradley, who had never run the half mile before, broke

the school record by three seconds. He also won his specialty, the mile. O'Donnell, who features in five events along with Ogren, garnered half the points against Middletown. At Weaver superior manpower again proved the margin of victory. Jack Pierce broke the 220 and tied in the 100 yard dash. Bradley again broke his own mile record which he has held for two years. Johnny Ryan also broke the javelin record in the Middletown meet by ten inches. With four meets remaining, the Track team is enjoying the best season in its history.
